TEXAS FARM PRODUCTS COMPANY
NACOGDOCHES, TEXAS

12% PELLETTED ALL STOCK

An economical, pelleted ration for beef cattle and mature horses.

FEATURES

- * 1157 kcal/lb
- * 1/8 inch pellet
- * 12% natural protein
- * Fortified with vitamins and minerals

BENEFITS

- * Easy to use for mixed herds of horses & cattle
- * No sorting of feed with a pelleted ration

GUARANTEED ANALYSIS

INGREDIENTS

Processed grain by-products, roughage products (22%), plant protein products, cane molasses, calcium carbonate, salt, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, sodium selenite, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate, ethylenediamine dihydroiodide, cobalt carbonate.

FEEDING DIRECTIONS

BEEF CATTLE: Feed 1 to 1.5 pounds per 100 pounds of body weight daily to beef cattle on pasture. Provide a source of fresh, clean water at all times.

HORSES: Feed 1 pound per 100 pounds of body weight as a maintenance ration for adult horses. Divide the daily feeding amount into two or three equal portions. Provide plenty of good quality hay or grazing free choice along with a supply of fresh, clean water.

CAUTION: Changes in feed should be made gradually. Feed should be stored in a well-ventilated, dry area that is protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed as it may cause illness or death.
