TEXAS FARM PRODUCTS COMPANY
NACOGDOCHES, TX

FEATURES

* 20% protein
* Fortified with vitamins & minerals
* Easy to handle, easy to feed

BENEFITS

* Provides nutrition that winter forage may lack.
* Aids in the digestion of roughage.
* Good herd health is maintained.

GUARANTEED ANALYSIS

Crude Protein, minimum	20.00%

Vitamin A, minimum	10,000 IU/LB
Vitamin D3, minimum	2,460 IU/LB

INGREDIENTS

Processed grain by-products, plant protein products, grain products, roughage products, cane molasses, calcium carbonate, salt, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, sodium selenite, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate ethylenediamine dihydroiodide, cobalt carbonate.

FEEDING DIRECTIONS

Feed to beef cattle on pasture at the rate of 2 to 5 pounds per head per day. Feeding rate is determined by pasture condition and stage of production of animals. Distribute cubes on ground in order to assure uniform consumption. Provide a source of fresh, clean water at all times.

CAUTION: Changes in feed should be made gradually. Feed should be stored in a well-ventilated, dry area that is protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed as it may cause illness or death.
