# SUPER HI-PRO-MIN

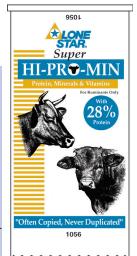

A self-limiting pasture supplement designed to supply the nutrients most often deficient in forages.

#### **FEATURES**

- 2:1 calcium phosphorus ratio
- Provides protein, minerals, & vitamins all in one!
- Added protein from NPN to supplement dormant or poor quality pastures
- Stimulates rumen activity
- Contains Zinpro®

#### **BENEFITS**

- \* Fewer breeding problems.
- \* Healthier calves at birth.
- \* Fewer calving problems.
- \* Better utilization of poor quality forages.
- \* Provides protein and minerals for milk production.
- \* Cuts feeding costs supplies energy in addition to protein, vitamins, and
- \* Zinpro® improves herd hoof condition.

#### **GUARANTEED ANALYSIS**

Crude Protein, not less than .... 28.00% (This includes not more than 9.24% equivalent protein from non-protein nitrogen.)

Crude Fat, not less than	3.00%
Crude Fiber, not more than	7.00%

Calcium (Ca), not less than	4.00%
Calcium (Ca), not more than	
Phosphorus (P), not less than	2.00%
Salt (NaCl), not less than	14.00%
Salt (NaCl), not more than	
Magnesium (Mg), not less than	2.00%
0 ( 0,,	

Potassium (K), minimum ...... 1.00% Sulfur (S), not less than ..... 0.50% Iron (Fe), not less than ....... 400 (ppm) Manganese (Mn), not less than ..... 450 (ppm) lodine (I), not less than ...... 6 (ppm) Cobalt (Co), not less than ....... 1 (ppm) Copper (Cu), not less than ... 150 (ppm) Selenium (Se), not less than 2.60 (ppm) Zinc (Zn), not less than ...... 450 (ppm) Vitamin A, not less than .... 9,000 IU/LB Vitamin D3, not less than .. 1,800 IU/LB Vitamin E. not less than ....... 75 IU/LB

#### **INGREDIENTS**

Processed grain by-products, plant protein products, grain products, salt, cane molasses, urea, calcium carbonate. dicalcium phosphate, magnesium oxide, vitamin A acetate, D-activated animal sterol (source of vitamin D3), vitamin E supplement, sodium selenite, manganese sulfate, zinc methionine complex, zinc sulfate, ferrous sulfate, copper sulfate, ethylenediamine dihydriodide, cobalt carbonate.

#### **FEEDING DIRECTIONS**

Feed free choice in covered feeders to beef and dairy cattle on pasture. Super Hi-Pro-Min is formulated for use when pasture is not actively growing or dormant as in the late summer, fall, and winter months. Provide salt free choice separately at all times along with a source of fresh, clean water. Normal consumption of this product is usually 1-2 pounds per head per day for mature cattle. If excessive consumption is experienced, see your Lone Star Dealer for recommendation of other mineral products.

CAUTION: USE AS DIRECTED. For Ruminants Only. Do not feed to horses, mules, colts, ponies, or hogs. Feed should be stored in a well-ventilated, dry area that is protected from rodents and insects. Feed is perishable. Do not feed moldy or insectinfested feed to animals as it may cause illness or death.
