#### FEEDING DIRECTIONS

Feed free choice in covered feeders or mix into the feed of beef cattle, dairy cattle, or horses. When mixing with feed, calculate the daily consumption of this supplement to equal 1/2 pound per head per day. Provide a source of good quality hay or grazing free choice along with a supply of fresh, clean water. Feed salt free choice separately.

**CAUTION:** Feed should be stored in a well-ventilated, dry area that is protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed to animals as it may cause illness or death.
