TFP NUTRITION
NACOGDOCHES, TX

PIG GROW & SHOW STARTER

Our premium quality, highly palatable ration, pelletized designed especially for baby pigs being groomed for show.

FEATURES

- * 21% Protein
- * High energy--1578 Kcal/lb
- * Multiple sources of high quality protein
- * Added fat
- * Fortified with probiotics
- * Essential oils
- * BIO-MOS - Mannan Oligo-saccharides from the cell walls of yeast
- * Flavor enhanced

BENEFITS

- * Easily digestible ingredients get baby pigs off to a good start.
- * Probiotics help improve digestion, health, performance and overall health.
- * Essential oils - oregano and clove oil - contain antioxidant and antimicrobial properties
- * cinnamon and red pepper oil - enhance flavor and contain antioxidants.
- * BIO-MOS promotes animal performance by improving gastrointestinal health.
- * A non-medicated approach to improved health and feed efficiency.

INGREDIENTS

Ground corn, soybean meal, fish meal, rice bran, dried whey, soybean oil, calcium carbonate, dicalcium phosphate, salt, L-lysine, brewers dried yeast, yeast culture, hydrolyzed yeast, bentonite, hydrogenated vegetable fat, oregano oil, clove oil, cinnamon oil, red pepper extract, dried *Aspergillus oryzae* fermentation product, dried *Aspergillus niger* fermentation product, dried *Lactobacillus acidophilus* fermentation product, dried *Enterococcus faecium* fermentation product, dried *Lactobacillus plantarum* fermentation product, dried *Lactobacillus casei* fermentation product, fenugreek rose hips, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, vitamin B12 supplement, riboflavin supplement, niacin supplement, calcium pantothenate, choline chloride, menadione sodium bisulfite complex (source of vitamin K activity), folic acid, pyridoxine hydrochloride, thiamine mononitrate, sodium selenite, biotin, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate, calcium iodate, natural and artificial flavors.

FEEDING DIRECTIONS

Feed as the sole ration to weaned pigs up to 75 pounds of body weight. Do not let old feed accumulate in troughs. Provide a source of fresh, clean water at all times. Once pigs reach 75 pounds, contact your Lone Star representative regarding the next phase of the feeding program.

CAUTION: Feed should be stored in a well-ventilated, dry area protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed as it may cause illness or death.
