TEXAS FARM PRODUCTS COMPANY
NACOGDOCHES, TX

PORKY PELLETS

A nutritionally balanced pelletized ration designed to finish the hog for market.

FEATURES

- * 14% Protein
- * Guaranteed level of lysine
- * Proper levels of vitamins, minerals, & amino acids
- * Fortified with Probiotics

BENEFITS

- * Balanced ration helps animals maintain proper condition.
- * Pelletized feed reduces waste from self feeders.
- * Beneficial microbes, yeast culture, and enzymes contained in the probiotics improves digestion, performance and overall health.

GUARANTEED ANALYSIS

Crude Protein, minimum	14.00%
Lysine, minimum	0.60%
Crude Fat, minimum	3.00%
Crude Fiber, maximum	10.00%
Calcium (Ca), minimum	0.50%
Calcium (Ca), maximum	1.00%
Phosphorus (P), minimum	0.40%
Salt (NaCl), minimum	0.25%
Salt (NaCl), maximum	0.75%
Selenium (Se), minimum	0.15 ppm
Zinc (Zn), minimum	50 ppm

INGREDIENTS

Processed grain by-products, grain products, roughage products (10%), plant protein products, cane molasses, calcium carbonate, forage products, salt, dried *Lactobacillus acidophilus* fermentation product, dried *Enterococcus faecium* fermentation product, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, vitamin B12 supplement, riboflavin supplement, niacin supplement, calcium pantothenate, choline chloride, menadione sodium bisulfite complex (source of vitamin K activity), folic acid, pyridoxine hydrochloride, thiamine mononitrate, sodium selenite, biotin, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate, calcium iodate.

FEEDING DIRECTIONS

Feed as the sole ration to hogs weighing from 110 lbs. to market weight (242 lbs.). Self feeding is the preferred and most acceptable method of feeding. At Lone Star, we recommend no more than five animals per feeder hole for hogs in a dry lot or on pasture. Do not let old feed accumulate in troughs. Provide plenty of fresh, clean water at all times. Consult your veterinarian for a recommended health program.

CAUTION: Feed should be stored in a well-ventilated, dry area protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed as it may cause illness or death.
