MAGNESIUM .....	0.21 %
POTASSIUM .....	0.64 %
COPPER .....	5.71 mg/lb
IRON .....	73.06 mg/lb
MANGANESE .....	22.34 mg/lb
SELENIUM .....	0.16 mg/lb
SULFUR .....	0.20 %
ZINC .....	1115.18 mg/lb
IODINE .....	0.27 mg/lb
BIOTIN .....	0.08 mg/lb
CHOLINE .....	585.49 mg/lb
FOLACIN .....	0.36 mg/lb
NIACIN .....	25.99 mg/lb
PANTOTHENIC ACID .....	9.61 mg/lb
RIBOFLAVIN .....	2.49 mg/lb
THIAMINE .....	2.46 mg/lb
PYRIDOXINE .....	3.54 mg/lb
VITAMIN B12 .....	0.01 mg/lb
VITAMIN A .....	2.30 KIU/lb
VITAMIN D3 .....	0.40 KIU/lb
VITAMIN E .....	17.80 IU/lb
VITAMIN K .....	0.50 mg/lb

TEXAS FARM PRODUCTS COMPANY  
NACOGDOCHES, TX

## 16% PIG GROW & SHOW GROWER/FINISHER

Our premium quality, highly palatable pelletized ration designed especially for growing and finishing champion show pigs.

### FEATURES

- \* 16% Protein
- \* High Energy- 1630 Kcal/lb
- \* Multiple sources of high quality protein
- \* Added fat
- \* Fortified with probiotics
- \* Essential Oils
- \* BIO-MOS - Mannan Oligosaccharides from the cell walls of yeast
- \* Flavor Enhanced

### BENEFITS

- \* Easily digestible ingredients promote improved feed efficiency
- \* Probiotics help improve digestion, performance and overall health
- \* Essential Oils - Oregano and Clove Oil - contain antioxidant and antimicrobial properties; Cinnamon and Red Pepper Oil - enhance flavor and contain antioxidants
- \* BIO-MOS promotes animal performance by improving gastrointestinal health.
- \* A non-medicated approach to improved health and feed efficiency

### GUARANTEED ANALYSIS

Crude Protein, minimum .....	16.00%
Lysine, minimum .....	1.30%
Crude Fat, minimum .....	7.50%
Crude Fiber, maximum .....	4.00%
Calcium (Ca), minimum .....	0.60%
Calcium (Ca), maximum .....	1.10%
Phosphorus (P), minimum .....	0.60%
Salt (NaCl), minimum .....	0.25%
Salt (NaCl), maximum .....	0.75%
Selenium (Se), minimum .....	0.30 ppm
Zinc (Zn), minimum .....	240 ppm

### INGREDIENTS

Ground corn, soybean meal, fish meal, rice bran, soybean oil, dried whey, calcium carbonate, dicalcium phosphate, salt, L-lysine, brewers dried yeast, yeast culture (*Saccharomyces cerevisiae*), hydrolyzed yeast, bentonite, hydrogenated vegetable fat, oregano oil, clove oil, cinnamon oil, red pepper extract, dried *Aspergillus oryzae* fermentation product, dried *Aspergillus niger* fermentation product, dried *Lactobacillus acidophilus* fermentation product, dried *Enterococcus faecium* fermentation product, dried *Lactobacillus plantarum* fermentation product, dried *Lactobacillus casei* fermentation product, fenugreek, rose hips, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, vitamin B12 supplement, riboflavin supplement, niacin supplement, calcium pantothenate, choline chloride, menadione sodium bisulfite complex (source of vitamin K activity), folic acid, pyridoxine hydrochloride, thiamine mononitrate, sodium selenite, biotin, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate, calcium iodate, artificial flavors.

### FEEDING DIRECTIONS

Feed as the sole ration to pigs weighing 75 pounds of body weight until time of show. Six to eight weeks prior to the show, weigh pigs weekly in order to determine the amount of gain required by show date. If the pig is gaining too fast, hand feeding a measured amount divided into two or three daily feedings may be necessary. Provide an adequate exercise area for the pig. Do not let old feed accumulate in troughs. Provide a source of fresh, clean water at all times.

**CAUTION:** Feed should be stored in a well-ventilated, dry area protected from rodents and insects. Feed is perishable. Do not feed moldy or insect infested feed as it may cause illness or death.
