INGREDIENTS

Processed grain by-products, roughage products (30%), plant protein products, calcium carbonate, cane molasses, salt, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, sodium selenite, manganese sulfate, zinc sulfate, ferrous sulfate, copper sulfate, ethylenediamine dihydroiodide, cobalt carbonate.

FEEDING DIRECTIONS

BEEF CATTLE: Feed 1 to 1.5 pounds per 100 pounds of body weight daily to beef cattle on pasture. Provide a source of fresh, clean water at all times.

HORSES: Feed 1 pound per 100 pounds of body weight as a maintenance ration for adult horses. Divide the daily feeding amount into two or three equal portions. Provide plenty of good quality hay or grazing free choice along with a supply of fresh, clean water.

CAUTION: Feed should be stored in a well-ventilated, dry area protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed to animals as it may cause illness or death.
