Selenium (Se), minimum	0.10 ppm
Zinc (Zn), minimum	15 ppm

INGREDIENTS

Grain products, processed grain by-products, roughage products (20%), plant protein products, cane molasses, calcium carbonate, dicalcium phosphate, salt.

FEEDING DIRECTIONS

HORSES: Feed 1 to 1½ lb per 100 lb of body weight daily with adequate good quality hay or grazing. Do not feed free choice or exceed the recommended feeding rate. Feed at regular times at least twice daily. Provide a source of fresh, clean water at all times.

CATTLE: Feed 1 to 2 lb per 100 lb of body weight daily to beef cattle on pasture. Provide a source of fresh, clean water at all times along with a quality mineral supplement such as Lone Star Kal-Phos 12-12 Mineral Supplement.

CAUTION: Feed should be stored in a well-ventilated, dry area protected from rodents and insects. Feed is perishable. Do not feed moldy or insect-infested feed to animals as it may cause illness or death.
